General Information:

Idaho law does **not** require a person to give consent, however, without a signed release from the subject of the record, any arrest more than 12 months old, **without** a disposition, cannot be given to a non-criminal justice agency.

Criminal history record information furnished as a result of a non-fingerprint based computerized search is based solely on a search of identifiers provided in the request. Be aware it is not uncommon for criminal offenders to use alias names and false dates of birth, which would adversely affect the completeness and accuracy of a non-fingerprint based search of the Idaho Central Repository of Criminal History Records. No other state or federal agency records can be searched under current law. The bureau does not telephone or fax responses. Please allow ample time for processing this request. Requests are processed on a first come basis.

The records maintained by the Idaho Bureau of Criminal Identification (BCI) are based upon the felony and serious misdemeanor arrests reported to BCI from other Idaho criminal justice agencies. If a person disputes the accuracy of information obtained, that person may challenge the information by writing to the address on this form.

Idaho code 67-3008 (6) states, "A person or private agency, or public agency, other than the department, shall not disseminate criminal history record information obtained from the department to a person or agency that is not a criminal justice agency or a court without a signed release of the subject of record or unless otherwise provided by law."
